SR-68, 500 South Environmental Assessment Project Open House

The SR-68, 500 South project team has developed build alternatives for the corridor and outlined the impacts of the alternatives. The project team will be presenting these alternatives at the open house.

The open house will provide an opportunity for you to:

- ◆ Speak with members of the project team
- ◆ Receive an update on the project status
- ◆ View maps of build alternative(s)
- ◆ Provide comments on the build alternative(s)
